If you are submitting two or more registration forms for your family, you may send ONE email with all the forms as ONE document. Please put all the children's names on the subject line.

We will be processing registration emails in the order they are received. We will make every attempt to review your registration documents the same day you email them. If emails are sent after office hours M-F or Saturday/Sunday, we will review registration documents the next business day. We may call you if we have any questions about your registration documents. Once your packet has been reviewed, we will send a **confirmation email** that we have reserved a spot for your child in the class choice you selected or added your child to the wait list. If we reserved a space for your child, the email will include instructions on how to pay your child's registration fee. **The registration process will not be complete until the registration fee has been paid.** The registration fee will be collected through an app called "brightwheel". You will receive a **second email** inviting you to download the app and create an account. Our school will be using brightwheel to communicate with parents, send statements, and send messages from teachers on classroom activities. Within your brightwheel account you will be able to view the registration statement, set up a payment method and make payments. Payments in the app may be made from your bank account or by credit card. All credit card payments will be accessed a 2.9% convenience fee which will be added to your \$160 registration fee. There is no convenience fee to pay from your bank account. If you prefer to pay by personal check or cash, please contact our office during office hours to arrange a time to drop off a personal check or cash. We must receive your registration payment within 2 business days from the date we sent the confirmation email with your child's reservation. When the registration fee has been paid, registration is complete and your child is now enrolled at BHBC Weekday Education for the 2021-2022 school year. At a later date, we will send a message out through brightwheel with general information about the 2021-2022 school year.
