

Biblical Sins:

From research we learn that concerning Biblical Sins, there were 500 in the Old Testament and 67 in the New Testament. From www.WordofGodInternationalMinistries.org we see on their website 667 sins with Biblical references.

Deadly Sins:

From www.Bibleinfo.com, we learn the seven deadly sins were first compiled by Pope Gregory I around the year 600. Gregory also compiled a list of the seven virtues to combat these sins. The Bible would validate all of these concepts, but nowhere are they recorded in a list like this and nowhere in the Bible are they specifically referred to as the seven deadly sins or seven virtues. It is probably true that they were used extensively to teach principles from God's Word, particularly in the centuries before the invention of the printing press when the Bible was not available for the common man to read and study.

The Root of these sins are a desire for more and the human need for access. These Deadly sins are:

1. **Lust** 2 Tim 2:22
2. **Gluttony** 1Cor 10:31
3. **Greed** Heb 13:5
4. **Sloth** Prov 6:6
5. **Wrath** Rom 12:19
6. **Envy** Prov 14:30
7. **Pride** Jer 9:23-24

Curing these sins, we find the seven virtues: faith, hope, charity, justice, prudence, temperance and fortitude.
