### Viewing Sheet

- God designed \_\_\_\_\_ to be the primary disciplers in their children's lives.
- Two reasons it is difficult for parents to disciple their kids is because we live in an \_\_\_\_\_ culture and parents don't feel \_\_\_\_\_.
- We need to pray that mom and dad have \_\_\_\_\_ true gospel transformation in their own lives.
- Partner with the leaders of adults to be sure that the parents in your ministry are getting solid \_\_\_\_\_.
- It is important to \_\_\_\_\_ parenting as something your church deeply values.
- Provide \_\_\_\_\_ for parents to learn about what their children are learning each week.
- Find ways to encourage ways families to live out the gospel on \_\_\_\_\_ together.
- When the church and the home come together to wrap around the child, just like God designed it, then we can see the gospel \_\_\_\_\_ not just the heart of the child but full \_\_\_\_\_.
- When families are transformed, the gospel is \_\_\_\_\_ to impact entire \_\_\_\_\_ and beyond.
