

Let Prayer Arise

God is inspiring prayer in our lives, the lives of our pastors and our churches, and throughout our nation and world in new, creative ways like never before! Prayer is arising from all over our globe! Friday thousands were on a global prayer call with leaders and intercessors from all around the world – children from an orphanage in Kansas City each lifting up tender prayers, a lady in S. Korea praying for a united N & S Korea, Indonesian children dancing and praising the Lord in their native dress, prayer leaders from Russia, Australia, the United States, many prayers for revival and spiritual awakening and so much more. Prayers that move God’s mighty hand are arising all around the world!

404 PRAYER INITIATIVE

Many pastors, from the Atlanta area and from Georgia, including our Pastor Matt, have a heart for our **churches to pray united, together** for the Lord to end this pandemic. But also for us to pray for more: for people to come to Christ like never before and for a fresh wind and Holy Spirit fire to blow through our personal lives and our churches. So this prayer effort is springing up!

“Now to Him who is able to do immeasurably more than all we ask or imagine, according to His power that is at work within us, to Him be glory in the church and in Christ Jesus throughout all generations, forever and ever!

Amen.” (Eph 3:20-21)

The National Day of Prayer, May 7, Thursday

National Day of Prayer is always the first Thursday in May. This year it will definitely look different, with no large gatherings in cities across the U.S. We will, though, with deeper resolve, be observing this day and praying for our nation like never before!

“For the earth will be filled with the knowledge of the glory of the LORD” (HAB 2:14)
