## NEED TO KNOW

This one-year mentoring ministry is based upon Jesus Christ, His message and His plan for our lives. Instead of a traditional one-on-one situation you will be in a group of 5-8 women with one leader.

Each month you will read and discuss a book that has been prayerfully chosen to help you in your spiritual walk. You will be able to glean knowledge and understanding from women of different ages, backgrounds and experiences. You will be strengthened and encouraged to grow in your faith as you and your group challenge each other in your journey as Christ-followers.

If you feel this ministry is for you, follow this link to our [online application](#). We recommend that this application is filled out on the computer, and not on a mobile platform. If you have any difficulties completing the online application please reach out to one of us.

*Please note:* childcare is unavailable during the program.
