

## **PRAY FOR OUR MILITARY**

by Barbara Clark

Lord, grant Your angels' protection over our military wherever they are serving. (Ps. 34:7; 91:9-13)

Father, wherever they are in the world, may they know our prayers cover them and may they feel Your abiding presence with them every minute.

Equip them, Lord, with Your courage, strength and wisdom for every assignment. (Josh. 1:7)

As you guide them thru each trial, Father, grow them to their fullest potential. (Phil. 3:12)

Almighty, sovereign God, place into leadership those You want to lead our military.

May each soldier realize their need for You, Lord, as their rock and refuge. (Ps. 62:8)

Open their eyes to the salvation that is theirs through the Lord, Jesus Christ. (John 3:16)

Lord, may they be drawn to pray together, knowing a cord of three is not quickly broken. (Ecc. 4:12)

Abba Father, while they are away, give peace, protection and blessings to their families.

Lord, may we never forget that freedom is not free and always in every way support those who protect us and their families.

Lord, bring our military safely back home to their families.
