

**WHEN YOUR WORLD IS SHAKEN UP
UNSHAKABLE: THRIVING NO MATTER WHAT IS THROWN AT YOU
Daniel 1:1-7**

Introduction to the book of Daniel.

Don't be shocked or surprised at adversity.

Sources of that which shakes-up our lives.

Our **old** nature.

The **world** system and values.

Satan.

God.

What is the good of God's pain (purpose to shake us)?

At times God shakes things up to **examine** us.

At times God shakes things up to **correct** us.

At times God shakes things up to **guide** and direct us.

At times God shakes things up to **protect** us.

At times God shakes things up to **mature** us.

We need to trust God in what we don't understand.
